HOMESCHOOLING THROUGH DANIEL 1 ACADEMY

1. Fill out the enrollment form for any students continuing with D1A from last year. Include payment of enrollment fees. *****If you have a student who was not enrolled with D1A at the end of last year*****, please fill out a separate 'new student' enrollment form found on our website or at our office.
2. Watch the mail for your Confirmation Packet which should arrive within 2-3 weeks. Be sure and open it—there will be information and forms based on your students' grade levels and situations.

YOUR CONFIRMATION PACKET MAY CONTAIN...

- ⇒ a Teacher I.D. card and a Student I.D. card
- ⇒ School Calendar — Please put this in a safe place where you can refer to it throughout the year.
- ⇒ High School Information Pages (if you enroll a student in grades 9-12) These will contain information on reporting high school credits and on D1A's requirements for graduation. Please put this in a safe place where you can refer to it throughout the year.
- ⇒ Graduation Pages (if you enroll a graduating senior) - These will contain information about the senior year including deadlines and applications for graduation. Keep these forms and return at the appropriate time.

If you do not receive your confirmation letter and I.D. cards within 2 weeks of registering, please call and notify the school. Otherwise we will assume you received it.

3. Hang the school calendar in a place where you will see it throughout the school year.
4. Sign up for email notices by giving an email address on the enrollment form. We send out notices throughout the year of any important events or dates.
5. Visit our website on a regular basis. We update it fairly often.
6. Turn in semester reports when due. Best way for us and for you—report grades using our website's online reporting system. You receive a personal email once we have posted your student's grades to his transcript. 1st semester report due Jan 30. 2nd semester report due June 30.

ATTENTION—RETURNING FAMILIES

WANT TO MAKE SURE YOUR GRADES & CREDITS COUNT ???

Daniel 1 reserves the right to refuse to put grades or high school credits on the student's transcript that were earned during a semester in which the student enrolled late. To avoid any problems, just be sure and enroll before August 1st. We will take enrollments all year but waiting too late may mean nothing will be posted on student's transcript for 1st semester.

THREE PROGRAMS FROM WHICH TO CHOOSE

THE HOMESCHOOL PROGRAM

This is the traditional do-it-yourself program. Parents are responsible for all aspects of their child's education: registering, choosing and purchasing curriculum, teaching and grading. They then report the semester grades (due on Jan. 30 and June 30 of each year) to Daniel 1 Academy to be placed in the student's permanent file. **Parent or guardian of student must have a high school diploma or GED and be able to show proof of it.**

THE ONLINE & CORRESPONDENCE PROGRAMS

INCREASED ACCOUNTABILITY

INDIVIDUALLY-PRESCRIBED CURRICULUM

INDIVIDUALIZED ASSIGNMENT SCHEDULE

The **ONLINE PROGRAM** is for families who want more assistance from the staff at Daniel 1. Students on this program will be logging onto a website each day, reading their lessons, completing homework assignments as well as taking all quizzes and tests over the various units. Their schoolwork is scheduled for them in advance so that by following the daily schedule all work will be completed by the middle of May. Students will have access to a teacher at D1A who will answer questions that they may have over their schoolwork. Parents will be able to monitor daily their student's progress and grades. Parents will still be responsible for making sure the student completes all schoolwork on schedule.

The **CORRESPONDENCE PROGRAM** is for families who want more assistance from the staff at Daniel 1 but prefer a workbook format instead of a computer. Students on this program will receive packages containing one unit of each subject that the student is taking in the form of workbooks. Each package contains enough schoolwork for three weeks. Students and parents will need to grade the daily work and quizzes. Upon completing all the work in the unit, the student returns that package to D1A and receives the next unit package. Staff at D1A will grade the unit tests. Parents will be provided a yearly schedule showing when each unit should be completed but will need to help the student schedule daily work in order to finish a unit in three weeks. Parents will still be responsible for making sure the student completes all schoolwork and returns it to D1A on schedule.
