WHAT IS HOME EDUCATION? - Parents being totally responsible for their child’s education.

YOU SHOULD KNOW THE LEGAL ASPECTS OF HOME EDUCATION IN TENNESSEE:

As a home educating parent, you have ultimate responsibility for your child’s education and your own “school” in your home. It is our recommendation that you protect your rights as a home educator by being familiar with the law in Tennessee concerning home education.

IS DANIEL 1 ACADEMY STATE ACCREDITED?

No, we are not state accredited. State accreditation would require teachers (parents) to be state-certified and for curriculums used to be state-approved. Of course that is not possible with homeschooling.

HOW DOES THAT AFFECT MY STUDENT’S FUTURE IF HE GRADUATES FROM DANIEL 1?

Students earning our diploma can still go on to college or get a job. There may be a few universities across the nation who may question a homeschooler’s credentials but most colleges are welcoming homeschool students. Sometimes homeschool students have had trouble getting government jobs or entrance into the military. The problem is usually solved by student getting a GED.

WHAT ABOUT CURRICULUM?

On the **Homeschool Program** you may choose to use any curriculum you desire. Curriculum is provided by Daniel 1 for students on the **Correspondence Program**. We use a combination of Alpha Omega Lifepacs and A.C.E. Paces. The **Online Program** uses a web-based curriculum called Ignitia, published by Alpha Omega.

IS ACHIEVEMENT TESTING REQUIRED? NO

Daniel 1 no longer offers achievement testing. Parents of elementary students who want testing should search the internet where there are many options from which to choose. High school students will still have a testing requirement with two tests from which to choose. See the section on high school for more information.

WHAT DO I NEED TO SEND IN TO GET ENROLLED?

For students transferring from another school

OR

Students enrolling for the first time anywhere

FOR ONLINE & CORRESPONDENCE

Also include

- A separate application for each student
- All enrollment fees.
- The Records Request Form
- Proof of one parent’s high school graduation or beyond
- Birth certificate for each student
- Proof of guardianship if someone other than parents are involved

- Unofficial copy of transcript from former school for students in grades 9-12 if possible to speed the process of placement
- High School Subjects Form (grades 9-12)

ATTENTION—RETURNING FAMILIES Daniel 1 reserves the right to refuse to put grades or high school credits on the student’s transcript that were earned during a semester in which the student enrolled late. To avoid any problems, just be sure and enroll before August 1st. We will take enrollments all year but waiting too late may mean that nothing will be posted on student’s transcript for 1st semester. THIS DOES NOT APPLY TO NEW STUDENTS TRANSFERRING TO D1A FROM ANOTHER SCHOOL.

THREE PROGRAMS FROM WHICH TO CHOOSE

THE HOMESCHOOL PROGRAM

This is the traditional do-it-yourself program. Parents are responsible for all aspects of their child's education: registering, choosing and purchasing curriculum, teaching and grading. They then report the semester grades (due on Jan. 30 and June 30 of each year) to Daniel 1 Academy to be placed in the student's permanent file. **Parent or guardian of student must have a high school diploma or GED and be able to show proof of it.**

FEEES

New student processing fee \$ 20
(Only required first time student enrolls with D1A)

Yearly Registration fees

	Grades K-12
1st child	\$105
2nd child	\$105
3rd+ child	Free

EARLY BIRD DISCOUNT

Enroll before July 16 and take \$10 off the enrollment fees of the 2 oldest children.

NOTE If mailing in registration, your envelope must be postmarked before July 16 to qualify for the early discount.

NOTE If registering more than one child, the oldest is the first child, the 2nd oldest is the 2nd child, and so on. You must fill out applications for all children being registered but you only have to pay a registration fee for the 2 oldest children.

*****ALL FEES ARE NON-REFUNDABLE*****

THE ONLINE & CORRESPONDENCE PROGRAMS

INCREASED ACCOUNTABILITY INDIVIDUALLY-PRESCRIBED CURRICULUM INDIVIDUALIZED ASSIGNMENT SCHEDULE

The **ONLINE PROGRAM** is for families who want more assistance from the staff at Daniel 1. Students on this program will be logging onto a website each day, reading their lessons, completing homework assignments as well as taking all quizzes and tests over the various units. Their schoolwork is scheduled for them in advance so that by following the daily schedule all work will be completed by the middle of May. Students will have access to a teacher at D1A who will answer questions that they may have over their schoolwork. Parents will be able to monitor daily their student's progress and grades. Parents will still be responsible for making sure the student completes all schoolwork on schedule.

The **CORRESPONDENCE PROGRAM** is for families who want more assistance from the staff at Daniel 1 but prefer a workbook format instead of a computer. Students on this program will receive packages containing one unit of each subject that the student is taking in the form of workbooks. Each package contains enough schoolwork for three weeks. Students and parents will need to grade the daily work and quizzes. Upon completing all the work in the unit, the student returns that package to D1A and receives the next unit package. Staff at D1A will grade the unit tests. Parents will be provided a yearly schedule showing when each unit should be completed but will need to help the student schedule daily work in order to finish a unit in three weeks. Parents will still be responsible for making sure the student completes all schoolwork and returns it to D1A on schedule.

Payment Options

1 Payment of full tuition \$ 1200 (\$200 discount) You may choose to pay for the whole year at the time of registration by cash, check, money order or credit card.

Payment Plan—\$700 down with enrollment and then \$700 due December 1

Tuition for 2nd Semester only \$ 700 with enrollment (No payment plan.)

WITHDRAWING DURING THE SCHOOL YEAR

HOMESCHOOL STUDENT—To withdraw your student from D1A during the school year, you must fill out a Withdrawal Request Form, (available at D1A or on website), complete a Semester Report Form with grades earned up to the point of withdrawing, and turn both forms into Daniel 1. We will not release records unless all accounts are settled and semester reports have been turned in. **All fees are non-refundable.**

CORRESPONDENCE & ONLINE STUDENT—To withdraw during the school year, you must fill out a Withdrawal Request Form, (available at D1A or on website), and turn it in along with any borrowed materials. You will have to pay any outstanding obligations before we will release records to another school. **All fees are non-refundable.**

KEEPING UPDATED

We maintain a website to keep our members informed of upcoming deadlines and events. A school calendar is posted on the website also. It is the responsibility of parents to use the website to stay informed.

STAYING INFORMED OF D1A EVENTS . . . IS YOUR RESPONSIBILITY

THREE WAYS TO STAY INFORMED

1. **Visit our website on a regular basis.** - We update it often plus the school calendar is posted there from the beginning of the school year.
2. **Refer to the school calendar regularly**
3. **Sign up for email reminders.** - By giving us an email address on the enrollment page, you will be signing up for email reminders. These are sent out only a few times a year. Read any emails we send you. We do not send junk mail.
