

GRADUATION INFORMATION | 2025-26

Requirements for Graduation:

1. All required credits must be reported, with grades, to receive a College Prep or General Studies diploma.
2. Students pursuing a *College Prep Diploma* must take the ACT or CLT at least once while in high school.

Credits and Grades:

You should have received a *Graduation Requirements Letter* when your student enrolled in 12th grade, stating which credits he or she needs to complete their high school career. Please make sure these are earned and reported at least a week before the graduation ceremony, if participating, or by June 30th if not participating in the ceremony.

Testing:

If your student has not met the testing requirement listed above, make sure he or she takes the ACT or CLT this Fall or Winter. Use our code **430-444** when creating your student's account for the ACT so that we receive a copy of their scores. Use our discount code **daniel125** to receive 25% off the cost of the CLT.

Class Rank:

We determine class rank by using ACT or CLT scores received through February of a student's senior year. This will be determined by the end of March. We only post class rank on the transcripts of the upper half of the class unless a student's parents request otherwise.

Graduating with Honors:

To receive this distinction a student must have received or exceeded the following scores on the ACT or CLT:

ACT...English (18) | Math (22) | Reading (22) | Science (23)

CLT...Verbal Reasoning (25) | Grammar and Writing (25) | Quantitative Reasoning (20).

The words "with honors" will appear on their transcript and diploma. At the graduation ceremony, honors students will wear gold cords. These cords will be available at the ceremony for honor students to borrow or to buy.
